

## ***Journal of the American Podiatric Medical Association***

The American Podiatric Medical Association is the largest professional organization of podiatric physicians in the United States. Eighty percent of the practicing podiatrists in the United States are members of the APMA. The ***Journal of the American Podiatric Medical Association*** is the most comprehensive source of clinical information available to today's practicing podiatric physician. It reaches approximately 13,000 members and subscribers both in the United States and abroad.
